

December 16, 2011

Product End of Life Notification:

Dear Valued Customer,

As part of our on-going product lifecycle management process, the following dual-axis analog "IDG" and "IXZ" products will be transitioned to "End-of-Life" (EOL) status, and we are offering the following possible alternative.

EOL Dual-Axis " IDG" & "IXZ" Analog Products	Recommended Digital Replacement Product
IDG-500, IDG-650, IDG-1123, IDG-1150, IDG-1215 IXZ-500, IXZ-650	ITG-3050 3 Axis-Digital

Under the terms of the last time buy program, orders will be accepted until March 1, 2012 after which no additional orders will be accepted. Scheduled deliveries will be permitted within 6 months of the last time buy date. Thereafter, these products will be considered obsolete and no additional deliveries will be made.

Last Time Buy Date: March 1, 2012

Last Time Ship Date: August 12, 2012

Acceptance of last time buy orders is subject to product availability and is at the discretion of InvenSense. Products purchased during this end-of-life transition period will be fully covered by InvenSense's standard product warranty. Purchase orders for these products will be considered non-cancelable, non-returnable (NCNR). Potential product returns will be accepted under our normal RMA procedures. Failure analysis will be limited to verification of failure and remedies will be limited to credit of the purchase price of the product.

Please contact your local sales representative if you have any questions regarding the End-of-Life notification.

Sincerely,

Mehran Ayat
Director of Marketing
